#### **Resource Payment**

Payment can be made with a card machine or cash at the Church.

#### **Correspondence Format**

For the UK/Europe Bible School all three years will follow an online correspondence format. This format will consist of an online self-study component, review sessions weekly and one contact review session after before the end of the year.

**Online Self-Study** – Each module includes 1 – 4 videos with an average length of around 30 minutes. These will be watched during the review sessions. The modules also have an online multiple-choice quiz and 5 or 6 reflection questions to answer. The reflection questions are open-ended essay-style questions to reflect on your thoughts and understanding of the module and how it applies to your life.

**Review Sessions** – The review sessions will take place on Monday evenings from 20:00 until 22:00 UK time (20:00 until 22:00 NL time) via a Zoom conference call. During these sessions, we will watch and talk about the questions and answers of the reflections. This will be an opportunity to learn from one another, be discipled, receive practical input, pastoral care and prophetic insight. We encourage students to complete all quizzes and reflection questions of the previous week before the next review in order to ask questions and stay up to date with the online self-study of the course curriculum.

**Contact Review session** - Each student needs to arrange a contact session (in person or online) with the facilitator toward the latter part of the Bible School year (last five sessions). In this session, the student will be able to give feedback on his or her

- overall progress
- growth in leadership
- evident fruit

by completing the “review feedback journal form” (download) before the contact session. By the end of the session the facilitator can sign it off and the student will be able to upload the completed form on the Bible School platform.

**Student Testimony Recorded Videos** – We encourage students to record 2-3-minute testimony videos sharing their thoughts or experience of one of the modules they are working on to encourage other students. A rota will be randomly set up for you to share your testimony on the Facebook closed group throughout the year.

**Open Sessions** - During the year we will invite congregants to join us for “open sessions” to be able to get a teaser and be informed on relevant topics.
